Team Aquatic Supplies, a Division of DB Perks and Associates, a major supplier of swim gear to our members with outlets across Canada, including their outlet in Burlington, Ontario and their subsidiary, OMNI Swim in east Toronto, is the prime sponsor of the “Celebrating Masters” Social on Saturday, May 16th at the Etobicoke Olympium during this year’s Nationals.

TAS support of Masters recognition goes back five years to their sponsorship of the Hud Stewart Award, which recognizes the “Builders” of Masters swimming in Canada. This year they will also be providing awards for Canadians ranked first in their age group, plus being a major contribution to the event itself including the keepsake program. Their generous support helps to provide you with an excellent event at minimal cost.

The TAS Celebrating Masters Social will also recognize those MSC members who broke World and National Records in 2008. Those who had 2008 Top Ten World Rankings and those who have excelled in the Million Metre Challenge.

Come on out with your club and celebrate. Tickets \$15.00 include meal, cash bar.

Social Tickets can be ordered at www.cmsc2009.ca online until April 30.
