

Free Membership !

The Board of Directors is offering you a chance to win your MSO Membership free. That's right, 3 lucky swimmers will have their membership fee refunded - a \$20.00 value ! A random draw will be held at the next Board meeting. Simply return this questionnaire to enter.

MSO provides a number of services and programmes including Competition at both the local and Ontario Championship level (officials, sanctioning, safety, records, top ten); Communication (handbook, website, regional reps) and Administration (registration, insurance).

Each year the Board of Directors struggles with the twin tasks of continuing the provision of existing services and of developing new programmes. This year we would like to ask you for guidance and assistance. So we have 2 questions.

1. What do you want from your organization ? Are there services that we should continue to provide ? Are there services that you no longer need (or never needed) ? What new programmes would you like implemented ?

2. Recognizing that this is our organization - How much time are you prepared to volunteer each month to help us meet our goals ?

NONE 1 HOUR HALF DAY FULL DAY MORE

And what would you like to do (or better yet, what would you have fun doing) for our organization ?

Who are you : _____

Phone : _____ Email : _____

Email : msoreg@sentex.net
