						Ken MARCHANT 68	ARN	1:38:29	1:43:24 ☺

Due to the wind, the course markers had drifted prior to the event and, although a last-minute effort was made to the reposition the markers, after the event the 5 km course was determined to be 250 m SHORT.

Consequently, a series of "corrected" times have been computed for the purpose of assigning new Course Records.

The "250 m correction" represents 5% of the 5 km course - i.e. 3 minutes per hour-of-the-swimmer's-time.

☺ Denotes a new Course Record for the age-group.

BR Denotes Breaststroke.
