

MASTERS SWIMMING ONTARIO

Please join Masters Swim Ontario for a meeting Saturday April 2 The City of Markham, Pan Am Centre Multi Purpose Room 3-4 – Approximately 4pm – Following the end of the 400 metre event Ontario Masters Swimming Championship.

On December 13, MSO held its Annual General Meeting immediately following a swim meet in North York. One of the matters that was discussed at some length was the whole question of authority to govern masters swimming in Ontario, the right to sanction meets and the relationship between MSO and other swimming bodies such as MSC, Swimming Natation Canada and Swim Ontario. The board of MSO indicated at that meeting that it was investigating those relationships and would be ready to report back to the members and clubs at a meeting concurrent with The Ontario Championship in Markham, April 1-3, 2016.

Accordingly, a reporting meeting will be held with MSO members and clubs on Saturday April 2 at in the Multi Purpose Room 3-4 at approximately 4 pm following the end of the 400 metre event Ontario Masters Swimming Championship. There will be signs and MSO members in the building to direct you to the appropriate room. All registered MSO members and clubs are welcome to attend. Light refreshments will be provided. We expect the meeting will take about an hour.
